removal of the present collector of the port the President that they wish to withdraw so much of their first statement contained in their memorial asking for the appearance of the first treaty signed in both Russian and English languages. their memorial asking for the appointment of a colored man, George L. Mobson, because they do not wish it understood that they would advocate the removal of the present incumbent, Mr. Rumiley, on the ground of his being a white man. Their position is that Rundley is of no earthly account or service to the Republican party of the State; that he is a drone upon the party, and is kept in position through the influence of men whose actions are detrimental to the best interests of the party, and that his re-moval will be satisfactory to nine-tenths of the real Republicans of the Third district, as well as the foremost men of the State outside of the district. They suggest that Hon. Thomas Settle

General Allen Rutherford, and Mr. Alfred Howe be asked to name a successor for Rumiley in case the order of removal is made. The committee are to see the President Wednesday, and the matter will be disposed of one way or the other.

Alleged Attempt upon the Life of a Government Official.

NEW YORK, March 28 .- John P. Atkinson a street broker and discharged custom-house officer, has been arrested on the charge of attempting to stab Special Agent B. G. Jayne. Jayne asserts that this is the third time Atkinson has made an attempt on his life, and gives in explanation that he caused his (Atkinson's) dismissal from the customhouse four years ago. Atkinson says be only sought to defend himself from an assault by Jayne by seizing his up-lifted cane and threatening to stab him if it was used, and that the whole affair grew out of a demand by him for the payment by Jayne of \$25,000 the former's fees in the Weld revenue ease in Boston, which Jayne absolutely refused to pay, denying the validity of the claim.

Railroad Troubles in Pennsylvania.

Susquenanna Depôt, Pa., March 28 .- AB excited meeting has just been held here by the strikers. They are firm and united, and will allow no train to pass nor any busines to be done until the railway company accede to all their demands. The district attorney of this county made an address to the stri kers assuring them of his sympathy, but telling the men they were breaking the laws. The company have but two alternatives—either to accede to all the demands of the men, or send for the military. Intense excitement prevails throughout the village and Sheriff Helme is powerless, his posse al sympathizing with the strikers. THE BLOCKADE RAISED.

Later .- The strikers have raised the blockade of the passenger trains, but still refuse to allow any freight to pass. The company will commence paying at once.

Writ of Mandamus in Tweed's Case NEW YORK, March 28 .- The Supreme Court has granted an order to show cause why a writ of mandamus should not issue against Judge Davis, on motion of counse for Tweed, who claim there were certain exceptions taken in the course of the trial, and noted by the stenographer in his minutes which the Chief-Justice improperly refused to allow in settling the case on appeal. The order is made returnable on the 23d of Apri next, and the counsel for Tweed are given till the 15th of the same month to submit further affidavits.

Homicide at Covington, Ky. CINCINNATI, March 28 .- Colonel W. L. Terrell, the Covington correspondent of the

Cincinnati Commercial, shot and killed Hon. Harvey Myers at Covington, Ky., this noon Both are very prominent men in Kentucky. The shooting was the result of a grudge of long standing. Colonel Terrell after the shooting did not

attempt to escape. His friends think he is on the verge of insanity, owing to domestic troubles, his wife having made application for divorce. Myers was Mrs. Terrell's at-torney, and it appears he gave offence to Colonel Terrelt by putting certain questions to him during his examination of the divorce case in court this morning. After the shooting Myers's dying declaration was taken.

Overdue Steamer Heard From. San Francisco, March 28 .- The steamship Colima, overdue, has been heard from.
